SIR,

'SUBJECT'-Acquisition of certain properties for the continuation of Bhajanamandiram Road, in Gavipur Guttahalli, VIIth Division, Bangalore.

-oo0oo-

With reference to your letter No.L.453 dated the 20th [illegible]l 1951 calling for a report on the errors of door Nos. notified for acquisition under section 4 of the Land Acquisition Act, in the above scheme, I write to state that the draft preliminary notification forwarded to Government on the 9th September 1949 for publication in the Gazette, was prepared on the basis of the valuation statement and plan prepared by the Municipal Executive Engineer. After the said notification was published in the Gazette dated the 20th October 1949 and notices issued to the respective owners of the properties, none of them filed any objection petitions against the proposed acquisition except pointing out certain errors on the notified door numbers. After further verification with reference to assessment registers the errors were rectified and necessary corrections were made in the draft final declaration statements forwarded to Government on the 1st February 1951.

As pointed out in the letter under advertance, the door Nos. against items Nos. 1 and 2 in the preliminary notification published are quite different from that of the door Nos. noted

P.T.O.

noted in the draft final declaration statements. Since there was no protest against the proposed acquisition, no requisition was sent to Government for arranging republication of the preliminary notification as per correct information.

In this connection it may be stated that I am also of the same opinion that publication of wrong door numbers in the Gazette for acquisition is a material defect as observed by Government. After the receipt of further instructions in this behalf, necessary arrangement will be made to forward fresh draft preliminary notifications under Section 4 L.A.Act for favour of kindly arranging publication in the Gazette.

Forwarded with compliments

R. Anantaraman
